Date: 27/10/25

Venue: YASHIPOKLA MEMORIAL HALL

Organised by: Mount Mary College

1. Introduction

Mount Mary College successfully organised an Online Tournament as part of its fundraising initiative. The event aimed to bring students together in a virtual platform, encourage healthy competition, and generate funds to support college activities and community outreach programs.

2. Objectives of the Tournament

- To raise funds for participation at Patkai trophy
- To engage students in a constructive and enjoyable online competition
- To encourage creativity, teamwork, and digital participation
- To promote the use of technology for collaborative events

3. Event Details

The online tournament included the following activities:

- **E-sports / Online Games** (e.g., BGMI, Free Fire, FIFA, etc.)

Participants could join from home using smartphones or computers.

4. Participation

- Total number of participants: 50
- Students participated from various departments of the college.
- Registration fees collected from participants contributed to the fundraising goal.

5. Fundraising Outcome

- Total funds raised: 800
- The funds will be utilised for *participating in patkai trophy*
- The event successfully met its fundraising target.

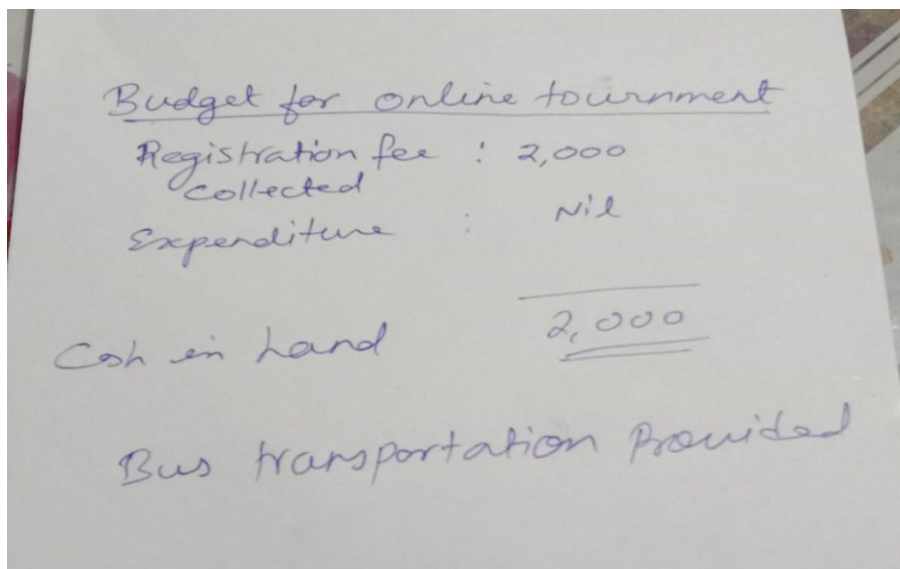

6. Highlights of the Programme

- Enthusiastic participation from students
- Smooth conduct of events using online platforms
- Fair and transparent judging
- Active involvement of student coordinators and volunteers
- Positive feedback from participants

7. Conclusion

The Online Tournament organised by Mount Mary College was a meaningful and successful initiative. It not only provided an engaging platform for students but also helped raise valuable funds. The college plans to organise more such events in the future to support developmental and welfare activities.
