Objective(s): 1. To honour the academic journey of the outgoing students and accomplish them, 2. To provide a platform to wish them well in their future endeavours.

Outcome(s): 1. It has created lasting memories and positive interactions, 2. It has also given platform to the teachers and Junior students to honour the outgoing students and appreciate their contributions.

Year – 5: June, 2024 – May, 2025.

1. Orientation Programme

An Orientation programme was organised for the fresher-students on 10th June, 2024. The programme was held from Education Honours' class-room. The total no. of participants was 25.

Objective(s): 1. To integrate the fresher-students in the department of Education, into their new learning environment, 2. To introduce their course of learning i.e., FYUGP Course to the fresher students.

Outcome(s): 1. The fresher-students have been introduced with the FYUGP Course, 2. The students in the department were given the opportunities to introduce themselves, and thereby, enabling them to know one another.

2. One Day Career Guidance Programme

One-day Career Guidance Programme was organised on 7th October, 2024. The programme was held at Yashipokla's Memorial Hall, Mount Mary College. The total no. of participants was 132.

Objective(s): 1. To help students find careers, according to their interests, 2. To help the students develop the skills they need to succeed in their chosen career, 3. To provide the students with accurate information about the career opportunities.

Outcome(s): 1. It has improved self-awareness in the students, 2. It has enhanced decision-making skills in the students, 3. It also gave the students a better understanding of career paths and requirements.

3. Inter – College observance of National Education Day, 2024

National Education Day was celebrated on 11th November, 2024 in collaboration with Mount Mary College. To observe this occasion, various competitions were organised, including Essay-Writing, Poster-Making and Slogan-Writing, centred around the theme, “Learning for Lasting Peace”.

Objective(s): 1. To foster students’ talent, 2. To promote teamwork, 3. To enhance learning experiences.

Outcome(s): 1. The event not only highlighted the significance of education but also, promoted a sense of unity and peace among the students, reflecting the core theme of, “Learning for Lasting Peace”, 2. It showcased a collective commitment to fostering educational values and encouraging students’ engagement in meaningful activities.

4. Department meeting

Department-meeting was held on 17th February, 2025. The meeting was held from Education Honours’ classroom. The total no. of students was 22.

Objective(s): 1. To improve communication between the teachers and students, 2. To address students’ concerns, 3. To enhance the overall learning experiences,

Outcome(s): The meeting provided a platform for students and faculties to connect, discuss academic issues and collaboration on ways to improve the departments’ offerings and students’ success.

5. Exposure – trip

The department went for an exposure-trip to Dzulekie Village, located under Kohima district on 1st March, 2025. The total no. of participants was 27.

Objective(s): 1. To experience a diverse range of experiences, including immersing in the natural beauty of the region, 2. It aimed to provide opportunities for relaxation, cultural exploration and outdoor adventures.

Outcome(s); 1. It offered a blend of nature, cultural and adventure, 2. It gave an experience to pristine beauty of the surrounding hills and forests.

6. Inter – Departmental Activity

The Department of Education, in collaboration with the Department of Psychology had organised an Inter- Departmental activity on 7th April, 2025 on the topic, “Enhancing Creativity”. The Total no. of participants was 18.

Objective(s): 1. To improve the employability of the students, which will enhance practical skills and prepare them for future careers, 2. To boost the confidences and self-esteem of the students.

Outcome(s): 1. It has brought personal-growth and skill development in the students, 2. It has increased self-confidence and motivation in the students, 3. It has helped the students to be more aware on the importance of Time Management.

10. Strengths of the Department

- 1. Dedicated and Experienced Faculty:** The teachers in the department are passionate about Education and committed to students' success.
- 2. Emphasis on Mentoring and Counselling:** A supportive and nurturing environment is provided to the students which makes them feel comfortable, seeking guidance, which fosters their growth and development.
- 3. Strong Student-Teacher Relationship:** There is a friendly and supportive atmosphere between faculties and students, which encourages open communication and collaboration.
- 4. Strong Community Involvement:** Students are encouraged to engage in community - service and outreach programmes, which fosters a civic responsibility and promote positive change.

11. Weaknesses of the Department

1. Less no. of quality students in the department.
2. Lack of sufficient books in the library (Subject Specific).
3. Lack of sufficient modern teaching tools.

12. Future Plans: Visions of the Department

1. Experiential learning.

The department has a plan to increase use of experiential learning techniques, incorporating real-world applications and hands-on-activities.

2. Skill Development.

The department shall focus on integrating skill-building courses and opportunities to enhance employability.

3. ICT Integration.

Leveraging of technology for teaching, learning and resource creation, including learning management systems and online resources shall be done.
